

TRANSPORTATION SYSTEM PLAN UPDATE

The City of Stayton is updating their transportation system plan (TSP). This project will identify the **long-term vision for Stayton's transportation system** as well as near-term solutions to address community concerns and support city needs.

Open House #2 will provide participants with an opportunity to share their thoughts and concerns on proposed **long-term improvements to Stayton's transportation system** with City staff and the consultants. A series of poster boards will be used to illustrate these improvements and how well they score on various evaluation criteria. Come see what's proposed in your community and let us know what you think the City's priorities should be!

If you are unable to attend the meeting in person, a Virtual Open House will be available online starting Wednesday, January 9th and continuing through Sunday, January 20th. The Virtual Open House will offer the same opportunities to provide input as the in-person meeting. Please plan on attending either the Open House or Virtual Open House and help guide the city's future transportation system!

OPEN HOUSE #2

January 9th, 2019

Stayton Public Library

5:30 p.m. – 7:00 p.m.

**515 N. First Ave.,
Stayton, OR 97383**
