

**RESOLUTION NO. 1113
A RESOLUTION AUTHORIZING A NEW TEN-YEAR AGREEMENT
FOR THE ACCEPTANCE AND TREATMENT OF WASTEWATER
FROM SUBLIMITY TO STAYTON**

WHEREAS, the City of Stayton ("Stayton") and City of Sublimity ("Sublimity") have had a contract since 2007 for Stayton to receive and treat wastewater from Sublimity; and

WHEREAS, Stayton has completed a Utility Rate Study that revealed rates from Sublimity were not covering the costs of providing service for Sublimity and Stayton Council directed staff to begin negotiations with Sublimity to update the contract (now referred to as an intergovernmental agreement (IGA)); and

WHEREAS, Stayton and Sublimity staff and Mayors met over the course of several months to discuss and agree upon terms for the updated IGA; and

WHEREAS, after agreeing to the terms in principle, an updated IGA was prepared with input from both jurisdictions' attorneys; and

WHEREAS, through the course of IGA negotiations, additional issues were raised that require additional and continued coordination outside of the contract itself; and

WHEREAS, the contract outlines the additional issues to be discussed and agreed upon within the next 6 months; and

WHEREAS, the attached IGA, with more frequent terms requiring update and evaluation of costs will help ensure that the residents in both jurisdictions contribute their "fair share" to the cost of the treatment of wastewater.

NOW, THEREFORE, BE IT RESOLVED THAT:

SECTION 1. The Stayton City Council authorizes the City Manager and Mayor to sign the Intergovernmental Agreement attached as Exhibit 1 to this Resolution.

This Resolution shall become effective upon its adoption by the Stayton City Council.

ADOPTED BY THE STAYTON CITY COUNCIL THIS 19th DAY OF AUGUST 2024.

Signed: 8/19, 2024

By:

Brian Quigley, Mayor
